BURGESS-NASH COMPANY OMAHA

Omaha, Nebr., March 31, 1914.

The Haddorff Plano Co., Rockford, Illinois.

Gentlemen:

have been with the beautiful Haddorff Plano which I had the pleasure of using in our Opera Musicales of "Thais", at Omaha, Nebraska, through the courtesy of Burgess-Nash Company. You know that in playing these Opera scores I must have a Piano that is really capable of all gradatious of Tone for I have to reproduce as much as possible orchestral effects and that of course is almost impossible on the average Plano. Your kindness in furnishing me with a Haddorff has made my work here in Omaha a great pleasure and although the Haddorff was a stranger to me, I feel now that we are old friends. It has a beautiful even scale, the bass is rich and the upper registers are full and round, the action is perfect.

I thank you for your kindness and your good piano.

Mary E. Oberndonfer

Besides the Haddorff Piano we are western representatives for Chickering, Kurtzmann, Ivers & Pond, Clarendon, and other less expensive makes. Sold on Easy Monthly Payments.
